

VETERANS ★ ON ★ CAMPUS

Interactive online training to
create a supportive campus
for student veterans

In this **online simulation**,
faculty, staff and administrators engage in conversations
with virtual student veterans, helping each to resolve a challenge they are
facing due to their transition to campus life.

Topics include:

- The value student veterans bring to campus
- Effective techniques for managing potentially sensitive topics
- Best practices for connecting student veterans experiencing post-deployment stress with appropriate support services in your area
