All About Discovery!

AGGIE GREEN ZONE

The **Aggie GREEN ZONE** is designed to help develop a supportive and understanding environment for our military and veteran student community where students can feel welcomed, trusted, and supported. The **Aggie GREEN ZONE** will provide faculty and staff members the knowledge and skills to identify and address the needs of students and to assist them in successfully completing their transition from military to university and civilian life.

The **Aggie GREEN ZONE** training is a virtual 30-minute training simulation. Those who complete the training and agree to be a Green Zone Ally will receive a **Aggie GREEN ZONE** designation. We recognize our Green Zone Allies by listing their name and contact information on our website. Should you agree to become a **Aggie GREEN ZONE** Ally, please let us know!

Training topics include:

- The value military and veteran students bring to campus
- Effective techniques for managing potentially sensitive topics
- Best practices for connecting student veterans experiencing post-deployment stress with appropriate support services in your area

Thank you for being a supportive and caring resource for our military and veteran students!
